Hi everyone

Well, as expected as soon as the news broke the left began howling again. This morning on the facebook group 'Don't Sanitize Pride' there is a call for members to write to the City regarding this issue, so expect to start getting letters soon. I have no doubt we will also be getting them again, as will our sponsors, and we will be mostly ignoring them. This is how they managed to pressurize us into rescinding the Ethics Committee idea, and so will be expecting it to work again.

You can read the facebook group here:

The wall postings are open so you don't need to join the group to keep an eye on it.

Enjoy your day.

Regards

Dear Mr. Rae, Ms Davies and Mr. Williams:

I was surprised and dismayed to see in the Toronto Star that, according to the city of Toronto's general manager of economic
